CLASSMATES :

The continued absence of Brother Barnes has rendered it necessary for me to present to you our Second Report.

As there are not sixty names on our Class Fund list, I invite all who have not contributed to do so at once, as well for their own satisfaction as for the benefit of the class.

I am sorry we cannot have a supper this year, free from expense, but the state of the subscription list will not allow it.

The remarks usually found in Class Secretaries' reports, with regard to classmates who neglect to send an account of themselves to the Secretary, are made a part of this Report, and reference is hereby made to said reports for more particular information.

Each man's conscience will tell him if these remarks apply to him.

If you will give notice to the Secretary of any change of address, it will be of great assistance to him.

PERCY AUSTIN,

*Class Secretary, pro tem.*
